Another option is to choose a hotel with a car park and reserve a space through the hotel.

Alternatively transport your veteran car to London prior to the Run, park the tender vehicle and trailer combination on the road using parking meters for off-loading, then move your veteran car to your chosen car park or hotel car park. The tender vehicle and trailer combination can then be driven to Brighton and parked using a tender vehicle package until the veteran car arrives on the Sunday.

Tender Vehicles

For tender vehicles, there will be two tender vehicle car parks in Brighton. Madeira Drive will be available from Thursday 2 November 2017 (6.00pm) – Monday 6 November 2017 (12.00noon). Marina Way Car Park will be available from Thursday 2 November 2017 (12.00noon) – Monday 6 November 2017 (12.00noon). Marina Way Car Park is situated just off Marine Parade and is a 10 minute walk to Madeira Drive. Both car parks will be staffed by security personnel from Thursday to Monday, but please note that vehicles are left at the owners risk.

Madeira Drive is available to tender pack 1 holders only and the spaces are allocated on a first order basis. Marina Way Car Park is available to tender pack 2 holders and is the overflow car park, should Madeira Drive become full. Explanations of the different tender packs are found in the Entry Information Brochure on our website www.veterancarrun.com/register. There are a limited number of spaces available at both sites so please book early to avoid disappointment. A shuttle service from Marina Way Car Park to Madeira Drive will be available on Sunday 5 November and will be in operation on Sunday 6 November between the hours of 8.00am – 5.00pm.
