

ULTRA LOW EMISSION ZONE

All vehicles that have a historic vehicle tax class will be exempt from the ULEZ.

In line with the existing LEZ discount, all vehicles registered before 1 January 1973 will be exempt from the ULEZ, regardless of commercial use or otherwise.

If your vehicle meets the above criteria and is registered in the UK, it is automatically exempt and you don't need to register with Transport for London. If your vehicle meets the above criteria but is registered outside the UK, you are also exempt, but will need to register with Transport for London.

To register your veteran vehicle you will first need to create a London Road User Charging Account with Transport for London. There is no charge for this. Make sure you have your vehicle registration document (V5C or foreign equivalent) available in an uploadable format before you start as this will be required later in the registration process. The link to create the account is:

<https://tfl.gov.uk/modes/driving/account-create-account-29278>

At the end of the process you will be issued with a Customer ID, a Password and a PIN.

Now you can register, free of charge, your veteran vehicle for exemption from the ULEZ fee. The link for this is:

<https://tfl.gov.uk/modes/driving/ultra-low-emission-zone>

Click on 'Register your vehicle' then scroll down and then Start.

Click on 'A vehicle that is exempt from the schemes', then Continue.

Enter vehicle registration number and opt for 'Non-UK' under Country of registration. Then 'Find vehicle'.

The message on screen will advise that 'we do not hold details for this vehicle'. Click on 'Yes, this is the correct vehicle', confirm & continue.

The reason that your veteran vehicle is exempt from the London Ultra Low Emission Zone scheme is that it falls into the Transport for London category 'historic vehicle'. So scroll down and click on 'My vehicle is a showman's vehicle or should be exempt from the scheme' – Do NOT click on 'registered outside the UK' as this only applies to modern vehicles.

You will then be asked to sign in to continue the application.

Enter your London Road User Charging Account Customer ID and Password and the PIN.

You now need to upload proof of the veteran vehicle's age which is the vehicle's registration document then follow further instructions.
