4.3.2. Driving Standards Observers appointed by the Organisers will monitor the progress of the entrants along the route. Their reports may result in penalties (see Regulation 12) being applied by the Clerk of the Course in cases where riding is considered to be in a manner likely to bring the event into disrepute. Penalties include exclusion and disqualification on the day and for future VCR events.

4.3.3. Police Officers and Event Officials are Stewards and their reports on any rider's poor standards of riding and/or lack of respect for the Highway Code will be taken as fact and acted on accordingly.

4.3.4. All entrants/riders are reminded that the Run is NOT A RACE and that they act as ambassadors for the VCR.

4.4. The Finish:

4.4.1. The official finish of the event will be at Madeira Drive, Brighton which closes at 4.30pm. The rider of each cycle finishing before the official closing time at Madeira Drive will be awarded a commemorative medallion on the day. 5. ENTRIES

5.1. Entries for the VCR may be made online at www.veterancarrun.com or alternatively by completion of the Official 2019 VCR Entry Form. The declaration must be signed and posted or emailed to the Organisers by the closing date shown in Regulation 3 and must include the Entry Fee (see Regulation 6).

5.2. Entries after Friday 23 August will only be accepted after consultation by the Organisers with The Royal Automobile Club and may not be listed in the official programme.

5.3. The Organisers require all entries to be accompanied by one electronic copy photograph of their vehicle. It is the responsibility of the entrant to ensure that the Organisers have the right to use the photograph provided, that it is **copyright free** or that the copyright is owned by the entrant. This is for the purposes of publicity as each motorcycle or cycle accepted, by Friday 23 August, will feature in the official programme and website. By providing entrant and rider details and the photograph of the entered vehicle, entrants grant permission to the organisers to publish this information in the event programme and on the event web site and in other promotional material relating to the Run. Photographs received after this date may not feature in the official programme. The Organisers will retain this photograph, which must be a 3/4 front picture.

5.4. The Organisers require each new entry to be accompanied by a copy of an eligible Sunbeam Motor Cycle Club Dating Certificate. If not available at time of entry, the Entry Form should be completed and returned as required with a covering note advising that a copy of the Certificate will be sent by Friday 23 August at the latest. An entry cannot be officially accepted into the Run until a copy of the Certificate has been received. In this regard the entrant grants permission to the organisers to share motorcycle or cycle and entrant details with the Sunbeam Motor Cycle Club, with the Royal Automobile Club and with the VCR Steering Group, as necessary. For vehicle eligibility criteria refer to Regulation 2.

6. ENTRY FEES

9.2. Each entrant will be issued with a tender vehicle window identification sticker. This will link the tender vehicle to the veteran motorcycle or cycle entrant and is for identification purposes only. If you have a tender vehicle driving the designated tender route this sticker must be displayed in their windscreen. NOTE – this does not give access to the tender vehicle car parks at Crawley and Brighton.

9.3. If a tender vehicle pack is purchased an official vehicle pass will be sent to you. This must be displayed in the windscreen when arriving at the car parks in Crawley and Brighton. NOTE – this pass will be in addition to the vehicle pass all tender vehicles will receive. Participating motorcycles or cycles are permitted only one tender vehicle. They will also receive details of the official tender vehicle route.

9.5. Tender vehicles are not permitted on the official veteran car route of the event. The presence of these vehicles following the route is a major cause of delay to participants.

9.6. Riding Standards Observers on the route will report tender vehicles causing unnecessary obstructions to the Clerk of the Course.
